## caring together

Our employees are the heart of the care provided to our neighbors, friends and family. Your gift demonstrates that you believe in the future of our facility and our community, which is important now more than ever to ensure we can continue to provide the highest quality of care.

## giving together

You can become a member by donating through payroll deduction pledge, or a one-time gift via cash, check or credit card. Simply fill out the pledge card and place it the drop box in the mail room, or scan and email it to:

[apriljesperson@forwardhealthfoundation.org](mailto:apriljesperson@forwardhealthfoundation.org)

“I can do things you cannot, you can do things I cannot;

*Together* we can do great things.”

- Mother Teresa

## working together

The Cornerstone Fund is the employee giving branch of the Forward Health Foundation. The Cornerstone Employee Donors generate funds for special projects in the facility with 100% of proceeds raised going directly to support projects for Essentia Health-Deer River & Grand Rapids. Every dollar will be invested directly into our facility and will not be used for operating expenses.

## better together

Together, your gifts make an impact for our patients, residents and the community. If each employee gave just \$3 per pay period, we would raise over \$25,000 to support enhanced care in our facilities!
