

The success of this event depends on you
- our community and partners!

Vendor Opportunities

We welcome local vendors, especially with services to offer families and residents of the Deer River area, the opportunity to be present with a booth and provide information about your programs and initiatives to our attendees.

We ask that you provide an interactive activity to engage with event go-ers and *do not* solicit sales.

- We reserve the right to deny any vendor presence at the event if their booth does not align with the goals/purpose of the event.

Donor Opportunities

As with much of our work, donors are at the heart of what we do. We welcome donations in the form of gift items for drawings, in-kind donations to help off-set the cost of facilitating the free event (bottled water, snacks, printing costs, port-a-potties, tables/chairs/tents, etc), or financial support to pay for needed event elements.

Volunteer Opportunities

There are many aspects of this event that could not be a success without the assistance of volunteers. We need help with registration, manning booths, runners, etc. Part of the purpose of this event is that, through sponsorships, we will be able to make a donation to organizations, civic or youth groups who coordinate volunteers and help us with this event.
